

Are you writing a
MSc dissertation on the
impact of plant foods?

ALPRO FOUNDATION

WHY NOT ENTER FOR THE ALPRO FOUNDATION AWARD AND THE CHANCE TO WIN UP TO €5000.

If your MSc project will consider the impact of bioactive compounds from the plant or plant-based nutrition on human health, the environment or the economy, and you have a recent thesis then visit www.alprofoundation.org to see if you are eligible to enter. Submission deadline is September 30th.

The Alpro Foundation is an independent non-profit organisation, supporting and promoting scientific research in the field of health and nutrition. For more information: T +32 (0) 9 260 22 11. E alprofoundation@alpro.be
